

APPLIANCE SELECTION GUIDE

LG is America's most reliable line of home appliances and the #1 appliance brand in the U.S. ¹

With LG, you can count on innovative and high-quality appliances. Our products are designed to enhance your everyday life with cutting-edge technology, sleek designs, and exceptional performance. From smart refrigerators and washing machines to advanced ovens and ranges, LG appliances are built to provide convenience, efficiency, and style. With a commitment to sustainability and customer satisfaction, LG continues to set the standard in the home appliance industry, making life good for millions of households around the world.

"Best in Class" according to the American Customer Satisfaction Index

In the 2023 survey, LG scores "Best in Class" and improves satisfaction more than any other brand.

LG Honored 12 Times Since 2012

This prestigious honor recognizes LG's exemplary commitment to protecting the environment through leadership in ENERGY STAR® Certified products and promotions.

Life's Good.
