WHERE DREAMS BECOME REALITY

DESIGNED AROUND THE WAY YOU LIVE

multiple beds / multiple baths / up to 2,674 SF

The La Sierra by Cavco Austin offers modern living with room for the entire family. Designed for comfort, style, and flexibility, the La Sierra Series lets you choose a home that fits your lifestyle.

With six floor plans ranging from 1,860 to 2,674 square feet, the La Sierra offers spacious 3- and 4-bedroom, 2-bath homes, including expanded Flex options for even more living space.

Every La Sierra combines beautiful design with everyday convenience. Enjoy a chef-inspired kitchen, spacious walk-in pantry, modern linear fireplace, primary bedroom dream closet, 72” hand-laid tile shower, laundry room deep sink, and built-in bench and locker.

These thoughtful features bring comfort, style, and function together to make everyday living easier and more enjoyable.

Six floor plans. One remarkable home.
Find the La Sierra that fits your life.
